Chrysalis[®]

What happens on a Chrysalis weekend?

You'll spend three days with other people your age in worship, prayer, fellowship, creative expression, recreation, singing, and discussion. You'll experience the love of God through prayers and the acts of service from a loving support community.

What is a Chrysalis?

That growth stage between caterpillars and butterflies is called a chrysalis. On the surface it may not look like much is happening, but the delicate chrysalis process changes the fuzzy caterpillar into an awesome butterfly with wings of intricate designs and intense colors. The chrysalis process symbolizes how Christ can transform you into something beyond your dreams. It happens when you grow beyond yourself, opening your life to Jesus' power and transforming love. (Romans 5:5, Ephesians 3:14-21)
